

## **Attention C S H Parents: STAAR EOC Retesting December 5-15, 2023**

Carrizo Springs High School will be administering the English I, and Algebra I STAAR End of Course (EOC) exams Tuesday, December 5th and Thursday, December 7<sup>th</sup> for all students who need to retest in these subjects. The English I exam is Tuesday, December 5th and the Algebra I exam is Thursday, December 7th. Students will be notified by their counselor if required to retest.

### **STUDENTS SCHEDULED TO TEST:**

Students have a four-hour time limit to complete the test. All electronic devices and phones (including smartwatches, Air Pods, and earbuds) are prohibited during testing. We strongly encourage students to leave their phones and all electronic devices at home for testing days. If a student must bring a cell phone or any electronic device to school, it will be safely secured by the test administrator and/or room monitor and returned to your student after all testing is completed at the end of the day. Students should also leave their backpacks at home on testing days.

Passing the STAAR End of Course exams is required for your child to graduate. To help ensure your student has the best possibility to succeed on their EOC exams, make sure they eat a healthy breakfast each morning (breakfast is always available at school) and get a good night's sleep. It is very important that your student arrives at school on time and that you encourage your child to do their best. **Also, please do not schedule doctor or other personal appointments on test days.** We respectfully request that you do not come to campus to pick up your student from school unless it is an emergency. Students testing will not be allowed to leave early from their assigned test rooms. If you have any questions about the STAAR EOC exams, please call the high school office at (830)876- 9393.

### **STUDENTS NOT SCHEDULED TO TEST:**

High School students **NOT** retesting in STAAR EOC English I on Tuesday, Dec. 5th, or Algebra I on Thursday, December 7th, may stay home in the morning and arrive to campus by 11:45 am each day. These students must remain on campus until 4:00 pm dismissal in order to be counted present for attendance. Students will be provided lunch in the cafeteria when they arrive. Regular classes will meet each afternoon after testing. Transportation is being provided for bus riders. Bus riders must be at their bus stop for pick up by 10:45 am. Students who are dropped off and picked up can be dropped off in front of the school by 11:45 am each day. Students who drive to school must also arrive by 11:45 am each retesting day. If your student is a Senior in the Co-Op program, arrangements have been made with their employer and teacher, Mrs. Bernice Urenda, for attendance these days.

**If your student owes make-up hours** due to excessive absences this semester, they should plan to come to campus each morning of STAAR testing and earn make-up hours each day. Instead of staying home, this is a good opportunity to make up the hours owed. Again, if you have any questions about the STAAR EOC exams or the schedule, please call the high school office at (830) 876-9393.

### **Attention High School Parents: STAAR EOC Retesting December 5-15, 2023**

Carrizo Springs High School will be administering the English II, U.S. History and Biology STAAR End of Course (EOC) exams Tuesday, December 12th and Wednesday, December 13th. The English II exam is Tuesday, December 12th and the Biology and US History exams are Wednesday, December 13th. These EOC tests are for students who need to RETEST in English II, U.S. History and/or Biology. Students will be notified by their counselor if required to retest.
