SCHOOL SAFETY AND SECURITY INFORMATION

In accordance with guidelines established by the Texas School Safety Center (TxSSC), each district shall establish a school safety and security committee. The committee shall:

1. Participate on behalf of the district in developing and implementing emergency plans consistent with the district multi-hazard emergency operations plan to ensure that the plans reflect specific campus, facility, or support services needs;
2. Periodically provide recommendations to the board and district administrators regarding updating the district multi-hazard emergency operations plan [see CKC] in accordance with best practices identified by the Texas Education Agency (TEA), the TxSSC, or a person included in the registry of persons providing school safety or security consulting services established by the TxSSC;
3. Provide the district with any campus, facility, or support services information required in connection with a safety and security audit, a safety and security audit report, or another report required to be submitted by the district to the TxSSC;

Michael Uriegas
Director of Student, Health and Safety
Services

4. Review each report required to be submitted by the district to the TxSSC to ensure that the report contains accurate and complete information regarding each campus, facility, or support service in accordance with criteria established by the center; and
5. Consult with local law enforcement agencies on methods to increase law enforcement presence near district Campuses.

DISRUPTION:

The School Safety and Security Committee shall not tolerate disruption of the meeting by members of the audience or individual committee members. Persons attending School Safety and Security meetings shall not delay, interrupt or disrupt the proceedings, or refuse to obey the orders of the presiding officer. Any disruption will result in immediate removal of members of the public and possible action of the committee to remove disruptive individual members.
