Carrizo Springs CISD

Credit by Exam Acceleration Procedures

2024-2025

Carrizo Springs CISD offers alternative methods for students to earn credit by exam as per board policy EHDB (Local) and EHDC (Local). Students in grades 1-12 who wish to accelerate to the next grade level or earn course credit either with or without having received prior instruction in the grade level or course may do so. The district shall offer opportunities in accordance with state law and State Board rules for the student to take a Board approved examination for this purpose.

A child who is five (5) years old and enrolled at the CSCISD, at the beginning of the school year, may accelerate to 1st grade rather than kindergarten. All criteria for acceleration shall be met for grades K-12. CSCISD will be administering the credit by exam the weeks of September 23, 2024, November 18, 2024, February 3, 2025 and April 28, 2025. If you have any questions, please contact your campus counselor.

Campus procedures:

1. A parent written request must be provided to the district.
2. The student's record will be reviewed by the campus to determine if student is eligible. The campus principal must make the recommendation.
3. If the student is eligible, the campus will submit names to the Curriculum and Instruction Office. Assessment(s) will be ordered from Texas Tech University.
4. Student must achieve an 80 on all four exams. If the student achieves an 80 on all exams, he/she will be placed in the next grade level
