MILITARY CONNECTION & STUDENT SUCCESS

DISTRICT GOAL

Carrizo Springs Independent School District will provide school leadership with useful information that will assist our staff in creating a positive education experience for students in Students with active duty Military Connection parent or guardian. The district will provide guidance to district staff to the identification process and services and supports to provide Students with who identify as Military Connected. This process will assist giving students a positive educational experience and prevent a lapse of education to that population.

Carrizo Springs CSCISD has developed systems of identification , monitoring and resource availability for Military connection in accordance with the Every Student Succeeds Act (ESSA), 2015 - Requires all public schools to collect data on active-duty military school age children K-12th; also, known as the military student identifier.
