GUIDING PRINCIPLES	The Board encourages the public to discuss concerns and complaints through informal conferences with the appropriate administrator.
INFORMAL PROCESS	Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.
FORMAL PROCESS	<p>If an informal conference regarding a complaint fails to reach the outcome requested by an individual, he or she may initiate the formal process described below by timely filing a written complaint form.</p> <p>Even after initiating the formal complaint process, individuals are encouraged to seek informal resolution of their concerns. An individual whose concerns are resolved may withdraw a formal complaint at any time.</p> <p>The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.</p>
FREEDOM FROM RETALIATION	Neither the Board nor any District employee shall unlawfully retaliate against any individual for bringing a concern or complaint.
COMPLAINTS	In this policy, the term “complaint” and “grievance” shall have the same meaning. This policy shall apply to all complaints from the public except as provided below.

DAYS	<p>“Days” shall mean District business days. In calculating time lines under this policy, the day a document is filed is “day zero.” The following business day is “day one.”</p>
REPRESENTATIVE	<p>“Representative” shall mean any person who or organization that is designated by an individual to represent the individual in the complaint process.</p> <p>The individual may designate a representative through written notice to the District at any level of this process. If the individual designates a representative with fewer than three days’ notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District’s counsel. The District may be represented by counsel at any level of the process.</p>

After the Level One conference, no new documents may be submitted by the individual unless the individual did not know the documents existed before the Level One conference.</p> <p>A complaint form that is incomplete in any material aspect may be dismissed, but may be refiled with all the required information if the refiled is within the designated time for filing a complaint.</p>

LEVEL ONE

Complaint forms must be filed:

1. Within 15 days of the date the individual first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, the complaint may begin at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator or assignee shall investigate as necessary. If a witness is interviewed, a written and signed statement from the witness shall be requested. The statement shall be in the witness's own handwriting or reduced to type written form by the interviewing administrator and presented to the witness for his or her signature. The signed statement shall include confirmation that the witness has read the statement and adopts the facts therein as true and correct. If the statement is reduced to writing by the interviewing administrator or assignee, all notes upon which the statement is based shall be preserved.

The administrator shall hold a conference with the individual within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

The administrator shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any relevant documents or information.

LEVEL TWO

If the individual did not receive the relief requested at Level One or if the time for a response has expired, he or she may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The individual may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the individual at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented by the individual at Level One and identified in the Level Two appeal notice. At the conference, the individual may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the individual a written response within ten days following the conference. The written response shall set forth the basis for the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

LEVEL THREE

If the individual did not receive the relief requested at Level Two or if the time for a response has expired, he or she may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board with the record of the Level Two complaint. The individual may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The written response issued at Level Two and any attachments.
3. All other documents relied upon by the administration in reaching the Level Two decision.

If at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the individual notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the individual or his or her representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.
