

What is a School Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link academic achievement goals
 - Focus on student learning
 - Share strategies that staff, parents, and students can use
 - Explain how parents and teachers can communicate about student progress
 - Describe opportunities for parents to observe, volunteer, and participate in the classroom.
- Criminal background checks are required by law to allow you to participate in activities at your child's school.**

Jointly Developed

The parents, students, and staff work together and share ideas to develop the school-parent compact. Teachers meet with their subject area teams to design practical strategies for parents to use at home (Example: Math, Reading/Writing, Science, and Social Studies Literacy Nights) Each year meetings are held to review and revise the compact. Based on the school's academic achievement goals and student needs.

Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be collected and reviewed during the annual revision meeting with the parents.
