What is a School-Parent compact?

A School-Parent compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of the students reach grade level standards. Parents are welcome to contribute comments to our School-Parent compact at any time, contact our CSCISD Federal Programs Service Coordinator at 830-876-3503 ext. 1203.

Jointly Developed

The parents, students, and staff work together and share ideas to develop the school-parent compact. Teachers met with their subject area teams to design practical strategies for parents to use at home (Example: Math, Reading/Family Nights.) Each year meetings are held to review and revise the compact. Based on the school's academic achievement goals and student needs.

Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be collected and reviewed during the annual revision meet-
